

# Science Bite

## Name that Ecosystem!

Just because you can't come to the aquarium doesn't mean you can't admire our beautiful tanks! Each tank in our aquarium represents a different ecosystem that exists in the Sitka Sound. Can you guess which ecosystems are pictured below? Draw a line connecting the photos to the correct ecosystem name.

### Ecosystem Word Bank

Urchin Barren

Deep Sea

Intertidal Zone

Under the Dock

Eel Grass

Sandy Bottom

**ANSWER KEY:**

**Ecosystem Word Bank**

Urchin Barren

Deep Sea

Intertidal Zone

Under the Dock

Eel Grass

Sandy Bottom
